

METCO 2008
Middle East Transplant Coordinator Organization 2008

Director:

MESOT and METCO 2008

The METCO transplantation coordination course is a very important event. Transplant coordinators from across our region can become acquainted with the various issues involved in organ donation and procurement as well as ethical considerations that need to be considered in this matter.

To get more information, please contact us via: info@mesot2008.com with "METCO" in the subject.
